Latest news

EasyRailFreight at Economia Pulita 2025

On March 26, Giulia Costagli, Francesco Lugli, and Alessio Galuppi took part in *Economia Pulita*, the international conference held in Rome at the headquarters of the European Parliament. At the heart of the discussion was the transformation of logistics in line with new European regulations on sustainability and supply chain control. It was a valuable networking opportunity and a strategic showcase for our EasyRailFreight platform!

EasyRailFreight Roadshow: Stop at Confindustria Emilia

On Friday, March 7, 2025, Confindustria Emilia hosted the event *"Scenarios of Integrated and Sustainable Logistics"*, dedicated to the Mobility and Logistics supply chains. Rete Ferroviaria Italiana (RFI) presented EasyRailFreight, the innovative digital platform for the development of intermodal logistics, designed to connect supply and demand, with a strong focus on sustainability. Francesco Lugli and Alessio Galuppi spoke about how rail and intermodal transport are becoming increasingly crucial in helping businesses achieve their sustainability goals. The event highlighted how innovation and sustainability are key factors for competitiveness and access to funding.

Partnership Focus

EasyRailFreight: Over 100 Partners for a More Efficient Rail Transport

EasyRailFreight has surpassed the milestone of 100 partners, with the goal of facilitating the connection between supply and demand and promoting intermodality in rail transport. Each issue of our newsletter will feature a significant partnership. In this issue, we focus on the agreement with the Scandinavian-Mediterranean Rail Freight Corridor (ScanMed RFC).

Learn more about our partners: visit our [website](#).

New Partnership Between ScanMed RFC and EasyRailFreight

The Scandinavian-Mediterranean Rail Freight Corridor (ScanMed RFC) and EasyRailFreight (ERF) have signed a Memorandum of Understanding for the publication of ScanMed RFC's capacity offer (Pre-Arranged Paths) on the ERF platform. The offer will be available during the official publication period, from January to April 2025, with monthly updates every second Monday. The non-binding agreement also includes a collaboration between ScanMed RFC and RFI for the joint promotion of their services at trade fairs and international events, aiming to enhance the visibility of the EasyRailFreight project.

Upcoming events

EasyRailFreight Presentation: April 9 at 3:00 PM at the Confindustria headquarters in Taranto.
